**Press Release
For Immediate Release – March 27, 2007**

**Photon Inc. and Telepro Inc. Announce
Canadian Distribution Agreement**

San Jose, CA – Photon, a leading manufacturer of beam profiling instrumentation, and Telepro Inc., a distributor of leading photonics instrumentation and component solutions, jointly announce a new distribution agreement in Canada. Telepro will distribute Photon's beam profiling instruments in Quebec, the Maritimes, and Ontario with offices in Montreal, Ottawa, and Toronto. The team of Hamo Sahaguian, Dave Armstrong, and Cliff Ramcharan represents Photon in these territories, and all three have prior experience with Photon. This partnership became effective March 1, 2007.
